The Syracuse High School Soccer Team is kicking off a new season with 42 players combining forces to represent the Titans and the Syracuse/West Point community. The coaching staff is committed to continue the strong tradition established here at SHS & helping to lead the team to another region title and a state title.

Having appropriate funds is critical to running a successful program. Please join us in supporting these athletes by sponsoring a banner that will be displayed at the Syracuse High Soccer field throughout the Summer & winter. Upon completion of the 2019 season the banner will be returned to you, through your sponsored athlete, to proudly display in your home or business. These 2' x 3' banners will be placed on the back of the tennis courts (facing the soccer field) for fans to see as they sit on the hill and as they enter and leave games.

Please make checks payable to Syracuse High School:

Banner Sponsor: \$150

Larger 3' x 6' Banner + sponsor recognition in programs, social media & at games: \$500 +

Please email your logo to both: twbrown@dsdmail.net – SHS Asst. Coach / Head of Fundraising

Thank you for your support and GO TITANS!
